REMARKS

This Amendment is being filed after the Notice of Allowance mailed on November 10, 2010, but before payment of the Issue Fee. This Amendment was filed at the request of Examiner Audet after he advised the undersigned in a telephone call on January 4, 2011 that the USPTO issued a Notice of Defective Sequence Listing on October 29, 2010.

The errors in the sequence listing identified have been corrected. It is believed that the corrections made herein will not require an additional search or examination because none of the corrections change the actual sequences, just the description.

In view of the forgoing, consideration and entry of the above amendment is respectfully solicited. If the Examiner has any questions or suggestions, she is cordially invited to contact the undersigned at the telephone number provided below.

If any additional fees are due or any overpayment has been made in connection with this paper, please charge or credit Deposit Account No. 08-2461 for such sum.

Respectfully submitted,
